Adding the tempe.gov URL to Internet Explorer 10 Compatibility View Settings

Navigate to Internet Explorer, select the **Tools** menu, and then click **Compatibility View Settings**.

Note! If the **Tools** menu is not displayed, press the **ALT** key.

Type tempe.gov in the "Add this website:" field and then click Add.

Make sure **tempe.gov** shows in the "**Websites you've added...**" box and then click **Close**.
